

It was my pleasure to work with Bob and Rita Boeke in setting up a “Forever and a Day” workshop at our parish. We have an exceptionally busy parish, and Bob and Rita were incredibly patient and flexible in helping us find a date that would work for all involved. We enjoyed many quality conversations about the issues married couples face today each time we talked on the phone, and the event itself was a great opportunity for our couples to reflect on their own marriages. Bob and Rita have a true love story that gives married couples the chance to dream again and to build the marriage they want. Their story is rooted in their shared faith and their honest communication that models the lifetime bond of friendship and love.
